Interreg NEXT Black Sea Basin

Co-funded by the European Union

STURNET

PROTECTION OF BIODIVERSITY IN BULGARIA FOUNDATION

TRAININGS WITH A CAUSE · 20–22 OCT 2026

You know the sea best. Help us protect the sturgeons!

Five trainings with a cause for fishers and fishing communities on the southern Black Sea coast

Photo: Parviz Hajizada, Pixabay

WHAT YOU WILL LEARN

- How the SturNet map and app work
- How to report an observation from the field — with a practical demonstration
- What the “hot spots” and the sturgeon tracking data show
- The role of fishers in the early-warning system

WHEN AND WHERE

20 Oct · Tsarevo · 14:00–17:00
21 Oct · Primorsko · 9:00–12:00
21 Oct · Sozopol · 14:00–17:00
22 Oct · Burgas, Komluka · 9:00–12:00
22 Oct · Burgas, Sarafovo · 14:00–17:00
